

Typhoon HIL TechDay 2025

June 24-26, 2025 | Novi Sad, Serbia

Typhoon HIL welcomes you to Novi Sad

We are delighted to invite you to **Typhoon HIL TechDay 2025**, taking place in Novi Sad, Serbia—the hometown of our core development center. This event is designed to connect Typhoon HIL users, providing a platform to share experiences and engage directly with our core developers and application experts.

TechDay will feature expert user presentations, live demonstrations of new technology developments, and discussions on the product roadmap, ensuring a valuable experience for established users across various application segments.

Beyond the event, guests will have the opportunity to explore **Novi Sad's charming old town** and the **historic Petrovaradin Fortress**.

We look forward to welcoming you to Novi Sad for an engaging and collaborative exchange of ideas and knowledge!

Program

Tuesday, June 24th

Pre-Conference Premium Training

- Enhance your **TechDay** experience with a hands-on training session! Choose between our **HIL Essentials Training**, perfect for beginners, or one of our **application-specific training sessions**, tailored for experienced users looking to refine and expand their specialized skills.

Wednesday, June 25th

Conference Day 1

- On the first morning of the event, we'll welcome guests at **registration** starting at 8:30 AM with a fresh cup of coffee or tea, along with pastries—perfect for those who may not have time to eat at their hotel or are arriving early.
- The event officially begins at 9:00 AM with an **opening address** from Typhoon HIL CEO, Nikola Čelanović, followed by an **inspiring keynote** from CTO, Dušan Majstorović.
- The core of the day will feature a series of **expert presentations** from both industry and academia, offering valuable insights into the latest advancements in our field.
- Throughout the day, attendees will have the opportunity to engage in **hands-on demonstrations** showcasing the latest Typhoon HIL technology developments. Additionally, we'll provide exclusive insights into initiatives from the **Typhoon HIL Business Accelerator** and host an interactive discussion on the **Typhoon HIL technology roadmap**.
- The first day will conclude with a casual **networking dinner** at one of Novi Sad's renowned restaurants, offering a great opportunity to connect with fellow participants in a relaxed atmosphere.

Thursday, June 26th

Conference Day 2

- The second day kicks off at 8:30 AM with a warm cup of coffee or tea and pastries, creating a relaxed atmosphere for **networking** before the sessions begin.
- The program officially starts at 9:00 AM, featuring a series of **expert presentations** from industry and academia, complemented by networking breaks.
- Similar to the first day, attendees will have the opportunity to engage with **interactive demonstrations**, exploring the latest advancements in Typhoon HIL technology.
- The event concludes at 5:00 PM with **closing remarks**, wrapping up two days of insightful discussions, hands-on experiences, and valuable connections.

This event is organized by Typhoon HIL. For any inquiries, please reach out to us at techday@typhoon-hil.com.

Recommended transfer from the Nikola Tesla airport

- [KIKI doo](#)

For a direct journey to Novi Sad, consider booking a private transfer from Belgrade Airport. This option provides a stress-free experience with professional drivers and comfortable vehicles with free wi-fi that will take you directly to your hotel. Advanced booking is required, and the price is approximately €70 per car.

Recommended for local in Novi Sad

- [Pan Taxi](#)
- [Red Taxi](#)

For local transport in Novi Sad, using a taxi service is recommended. Each ride has a fixed start price of ca. €2 and costs under €1 per kilometer taken.

Transfer from the Belgrade city center

- [Serbia Trains](#)

Train service from Belgrade to Novi Sad is a cost-effective alternative, at ca. €5 per ticket. There are 1-2 trains per hour, taking 40-60 mins. Note that this option requires additional transfer from Belgrade Airport to Railway Station "Prokop", and from Petrovaradin Train Station to your hotel.
